Please attach a drawing (minimum size 8-1/2" x 11") showing where the fence is going to be located on the described property. Please show north arrow, property lines, sidewalks and all structures on said property. You may use the back side of this permit.

Owner is responsible for obtaining a property survey to find lot lines, if lot lines are not known.

All fences or parts thereof which are solid shall be constructed so that all post braces, stringers and all other structural members faced to the interior of the lot or parcel being fenced.

No fence in any front yard can be over 3' tall and must be 50% open, 6' privacy fences allowed in back yards and some side yards. Some side yard privacy fences might be restricted depending on distance from your property line to the neighbors' primary house. Other restrictions may apply so please look at fencing regulations before planning your fence and applying for permit. No work shall be done until the site has been inspected, and fence type, height, and material has been approved.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this installation will be complied with whether herein specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state of local law regulating the construction or installation of any fence.
